ABOUT ME

I am a problem solving and coding enthusiast who is also extremely dedicated to studying computer software. I am highly motivated to enhance my programming skills, so as to become a professional engineer in software sphere. I always have passion towards developing software to control robots, be part of the software developing companies that are nowadays contributing to the technology in general.

WORK EXPERIENCE

[05/07/2021 – 22/04/2022]

Technical Assistant

World Health Organization

City: Baku

Country: Azerbaijan

1. Providing support for Information Technologies specialist to set up and maintain equipment for events that were held at the country office or at venues
2. Technical and administrative support in the development and implementation of the office and programmes activities by organizing and booking the meeting rooms, taking the notes.
3. Support UNDP on preparing individual contracts for WHO requirement
4. Request for Individual contract payment on monthly basis
5. Checking and revising reports, studies and other office/programme documents
6. Support with preparation of correspondence, contracts, budget and other administration related tasks
7. Support in preparation of cross-cutting activities of the office and programmes

[01/02/2020 – 28/05/2022]

Robotics Instructor

AREA(Azerbaijan Robot Engineering Academy)

City: Baku

Country: Azerbaijan

Teaching 4-7 years old children Robomonte classes, Scratch programming language and Genesis classes to 7-12 years old children, and Virtual Robotics Toolkit, Lego Mindstorms EV3, Studio 2.0 to 8-19 years old children.

[14/01/2021 – 29/08/2021]

English teacher

Freelance

City: Baku

Country: Azerbaijan

EDUCATION AND TRAINING

[14/06/2022 – 31/12/2022]

Software Development

Code Academy <https://code.edu.az/>

Address: 28th May, Baku, Azerbaijan, 1005, Baku, Azerbaijan

[17/09/2018 – 04/07/2022]

Bachelor's in Mechatronics and Robotics Engineering

Azerbaijan State Oil and Industry University <http://asoiu.edu.az/az>

Address: 28th May, Baku, Azerbaijan, 1005, Baku, Azerbaijan

Field(s) of study: Education

Thesis: <https://www.academia.edu/88447338/>

Hardware_Design_and_Simulation_Of_Forest_Fire_Alarming_System

Studied Mechatronics and Robotics engineering at Azerbaijan State Oil and Industry University.

Have been one of the topper students among my groupmates and graduated with a GPA of 91.55 (out of 100).

The specialty syllabus included Fuzzy logic and Control systems, Digital systems, Robotics, Fundamentals of programming and Computer Science.

PROJECTS

[05/01/2020 – 20/04/2020]

CanSat (Can Satellite)

Working with a group of 5 students to build small satellite model. Programming Ground Control System Software and Flight Plan Development and creating 3D model and design of the mechanics and electronics components. Finally winning the 5th place with the project plan, of which there is published thesis.

[12/01/2022 – 22/05/2022]

Hardware Design And Simulation of Forest Fire Alarm System

Remote monitoring over forest is very essential so as to protect it from wild fires. Thus, there are several ways to solve the problem related to forest fires. One of which is GSM based alarm system. The system is so simple and can be utilized by anyone living near to forest to protect themselves from any kind of danger.

[Hardware_Design_and_Simulation_Of_Forest_Fire_Alarming_System](#)

[18/05/2022 – 27/05/2022]

CodeETech

CodeEtech, an Erasmus+ Project held in Turkey, Istanbul, dedicated to discussions and practices on code and technology sphere.

VOLUNTEERING

[18/07/2019 – 19/09/2019]

ASAN Service Baku, Azerbaijan

Had an opportunity to be the part of "ASAN peşə" project and implement application processes of citizens through a special software platform.

LANGUAGE SKILLS

Mother tongue(s): Azerbaijani

Other language(s):

English

LISTENING C1 **READING** B2 **WRITING** B2

SPOKEN PRODUCTION C1 **SPOKEN INTERACTION** C1

Turkish

LISTENING C2 **READING** C2 **WRITING** B2

SPOKEN PRODUCTION C2 **SPOKEN INTERACTION** C2

DIGITAL SKILLS

Zoom | c#

Programming

Web (HTML, CSS, JS, TS, DHTML, ..) | jquery | bootstrap | c# programming language
| github | ASP .Net Core | SCSS | Web Development | html | mysql | java | javascript
| sql | xml | Git | css | json

Office programs

Microsoft Word | Microsoft Powerpoint | Microsoft Excel | Microsoft Office

COMMUNICATION AND INTERPERSONAL SKILLS

Communication

Very good communicative and organisational skills, team skills, high flexibility and commitment to the work

Motivation

Enthusiasm to gain insights and practical experience in the international development sector

Management

Ability to prioritize and organize work under pressure

HOBBIES AND INTERESTS

Watching documentaries

Solving Algorithmic Problems
